

Model No.
6060A, 6062A
**Mini Steam
Table**

6060A

6062A

Nemco Mini Steam Tables allow you to expand your serving possibilities. These steam tables with mix and match adapter plates provide more than 12 combinations to provide flexible serving for almost any need. Extra deep wells hold the largest pots and pans available. They hold food at the perfect temperature range. Stainless steel construction ensures durability and prevents pitting and staining. Features a "power on" indicator light and back-mounted six foot power cord. A drain is located on the front for easy water disposal.

Standard Features:

- Stainless steel construction
- Bulb and Capillary Thermostat fully adjustable thermostat (100°F to 212°F)
- Tubular heating element
- Front mount drain
- Mix and match adapter plates available
- Operates on 120 Volts
- ETL and NSF listing
